в 11-00 для начинающих
в 13-00 Intermediate+

- How do you define friendship?
- Where are the boundaries between acquaintance and friend; between friend and lover?
- Is it possible for men and women to be friends? Why or why not? Consider different sexual orientations, standards, expectations, etc.
- What elements need to be present in order for friendship to work?
- What elements are needed for a relationship to be healthy?
- What types of relationships can overlap?

How to end a toxic relationship

Watch the video about toxic relationships. Share with the group about your experience with toxic relationships. Have you ever been the toxic person? What would you change about yourself and how you handle possible future toxic relationships?
